History Press, United States, 2017. Postcard book or pack. Condition: New. Language: English . Brand New Book. Along Galveston s Gulf Coast runs a seventeen-foot-high, ten-mile-long protective barrier--a response to the nation s all-time deadliest natural disaster. The seawall remains a stoic protector more than a century later, shielding the island from much more than physical destruction. As the foundation of Seawall Boulevard, this structure created an entirely new tourism industry that buoyed the city s economy through war, the Great Depression and hurricanes. Adapting to the cultural trends and political movements that defined the past century, the seawall represents the unbreakable spirit of Galveston s resilient population and provides a fascinating glimpse into bygone times.
