Films and Comics, United States, 2013. Paperback. Book Condition: New. Chris Yambar, George Broderick Jr (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Every 100,000 years or so, the Essences of the Earth convene in a Great Council. Often times this meeting is held to determine if the inhabiting species of the planet are worthy of the very air they breathe. The last time this council met, it resulted in an ice age. Once again, the Essences of the Earth are ticked off. And with a vote looming on the horizon, even the Great Council is not immune to the deceit and hidden agendas of politics. In a play to impose their will and swing the majority of the council, the Vines bring a small group of humans into the fray. A charter fishing boat marooned on the submerged island that houses the Great Council, proves to be the unpredictable variable in the formula. Now the only thing standing in the way of another extinction event is the political maneuvering and adventures of three children. In an attempt to save 7 billion people, two warring sisters and the bait boy from the fishing boat will need to defend and answer for the mistakes of the human race. In an effort to help bring the world of Earthlings to life, the author collected illustrations from 13 different artists. Ron Frenz (The Amazing Spider-Man), Robert Atkins (G.I. Joe), Terry Moore (Strangers in Paradise), Chris Yambar (Bart Simpson Comics) and more . . .
