Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Epistles of Cicero: Bibliography and Hints for Study A good deal has been done in the way of close examination of the Epistles of Cicero and his correspondents - though the subject is far from being exhausted (the special literature since 1878 has been appended to the following paragraphs) - but the general questions about epistolography, Greek and Roman, its origin and peculiarities, its development in prose and poetry, have thus far been only perfunctorily treated. Origin of epistolography in the schools of the philosophers (Isocrates, Epicurus). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
