Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.*Includes pictures *Includes ancient accounts of the Seleucid Empire *Includes a bibliography for further reading In 323 BCE, Alexander the Great was on top of the world. Never a man to sit on his hands or rest upon his laurels, Alexander began planning his future campaigns, which may have included attempts to subdue the Arabian Peninsula or make another incursion into India. But fate had other plans for the young Macedonian king. One night, while feasting with his admiral Nearchus, he drank too much and took to bed with a fever. At first, it seemed like the fever was merely a consequence of his excess, and there was not much concern for his health, but when a week had elapsed and there was still no sign of his getting better, his friends and generals began to grow concerned. The fever grew, consuming him to the point that he could barely speak. After two weeks, on June 11, 323 B.C., Alexander the Great, King of Macedon, Hegemon of the League of Corinth, King of Kings, died. On his deathbed, some historians claim that..
