**SOCIALIZING DEMOCRATIC NORMS: THE ROLE OF INTERNATIONAL ORGANIZATIONS FOR THE.**

Palgrave Macmillan, UK, 2005. Hardcover. Condition: New. First Edition. 296 pages. Available Now. Book Description: Socialising Democratic Norms asks how and why the shared values and identities contained in a democratic norm set are spread to an ever growing circle of states in the New Europe, and in the process seems to be changing Europe into a community of ideas based on a shared identity and norm set. It also asks the important question of why the process seems to occur easily in some countries, whilst less easily or not at all in others. The volume offers a new social constructivist framework for understanding the transfer of norms from an international setting into the domestic arena. The specific focus is the socialization of democratic norms through international organizations (UN, NATO, EU and the OSCE) into countries that are located at a different ideational distance from the core of the value community. The countries investigated are the Czech Republic, Slovakia, Russia, Belarus and Turkey. : About the Author: TRINE FLOCKHART is Associate Professor in European Studies and International Relations at the University of Aalborg. She has previously worked at the University of Sunderland and the Danish Atlantic Treaty Association and is a former NATO Fellow. Her publications include From Vision to Reality: Implementing Europe's New Security Order (1998) and she has also published several articles and book chapters. She is currently working on a book on the Europeanization of Europe. Size: 14.5 x 2.3 x 22.3 cm. 296 pages. Multiple copies available this title. Category: Miscellaneous; ISBN: 1403945217. ISBN/EAN: 9781403945211. Inventory No: A138-1743. 21 years of serving customers on ABE. A seller you can rely on.
