Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In Plain Sight - The Disregarded Truth identifies and explains how we, the American people, can restart what was once a free America. This is done by revealing the Secrets, which have been hidden in plain sight and are being withheld from the American people, and detailing the simplest of violations that have been occurring against our rights, liberties, and freedom. In order to bring back the original intent and purpose of what is to be our country and government, we must first restore our personal liberties and freedom. Only then will we be able to return the government back to its proper role. Besides, how can we expect to resolve the unlawful actions taken by the governments of our country if we do not restore our personal liberties and freedom first? As we all know, the American people are all too familiar with government officials lying to them and the false promises that they have made and continue to make. Still, are you aware of the lies that have been specifically created and circulated, by the government, in order to undermine your rights, liberties, and freedom? Intentional or unintentional, the government has created these lies and is operating on these falsehoods. The majority of these lies have been revealed within this book, along with the unforeseen consequences. The sad part about all the lies is that they have been passed down throughout the last two generations, without any objection as to their legal correctness. Have you ever wanted to know why there are so many discrepancies concerning the American way of life, at least from the original intent? In Plain Sight - The Disregarded Truth will reveal...
