Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Preston Court Leet Records: Extracts and Notes The appearance in volume form of these extracts from the Preston Court Leet books, with explanatory notes is the result of the decision of the Corporation of Preston to defray out of the municipal treasury the major part of the necessary expense. The borough now stands in line with Manchester, Leicester, Nottingham, c., in recognizing that the possession of valuable records carries with it duties as well as privileges. It is hoped that the example now set by Preston will encourage other towns to take a more earnest view of their trusteeship, and, by making public old documents which have survived, further the study of municipal life in bygone ages. These extracts and notes originally appeared in the Preston Guardian between November 16th, 1901, and September 19th, 1903, and they have since been thoroughly revised. I have primarily to thank the Corporation of Preston for permission to go through the Court Leet books and make such extracts from them as I deemed suitable.
