

Patricks Home Run

By Elizabeth McCarthy

Paperback. Book Condition: New. Paperback. 48 pages. New home, new school, new neighborhood. . . now what How could Patricks mom be leaving Patrick cannot understand it. Duty. Commitment. Patriotism. Sacrifice. People keep trying to explain these things to him, but all Patrick knows is that Mom is going to a far-away country and he doesnt know when shell be back. What is he going to do without her Patricks Home Run is the poignant story of a young boys struggle to cope with his moms deployment and how he learns to unload his worries using a special technique his dad teaches him. With Patricks Home Run, Dr. Elizabeth McCarthy takes the reader on the compelling journey of a childs triumph over adversity. The story of Patrick and his family will be enjoyed not only by military families, but schoolchildren of all backgrounds who can relate to his concerns. Parents will find a creative, fun, and unique way to help their children talk about and deal with the unspoken anxieties that plague our growing generation. Patricks Home Run is the first in a series of childrens books that Dr. McCarthy is writing to help children understand their parents serving overseas...

Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
