

JBoss Drools Business Rules: Capture, automate, and reuse your business processes in a clear English language that your computer can understand.

By Paul Browne

Shroff Publishers/Packt, 2009. Softcover. Book Condition: New. 17 x 22 cm. This book will teach you to specify business rules using JBoss Drools, and then put them into action in your business. You will be able to create rules that trigger actions and decisions, based on data that comes from a variety of sources and departments right across your business. Regardless of the size of your business, you can make your processes more effective and manageable by adopting JBoss Rules. Banks use business rules to process your mortgage (home loan) application, and to manage the process through each step (initial indication of amount available, actual application, approval of the total according to strict rules regarding the amount of income, house value, previous repayment record, swapping title deeds, and so on). Countries such as Australia apply business rules to visa applications (when you want to go and live there)?you get points for your age, whether you have a degree or masters, your occupation, any family members in the country, and a variety of other factors. Supermarkets apply business rules to what stock they should have on their shelves and where?this depends upon analyzing factors such as how much shelf space there...
