

Health Care Information Systems: A Practical Approach for Health Care Management (Paperback)

By Karen A. Wager, Frances Wickham Lee, John P. Glaser

John Wiley Sons Inc, United States, 2017. Paperback. Condition: New. 4th Edition. Language: English . Brand New Book. The bestselling guide to the field, updated with a new, more relevant perspective Health Care Information Systems is the gold-standard textbook for the field, providing in-depth coverage of real-world health information management. Merging general concepts with practical detail, this book provides students with a highly transferable skill set that transitions seamlessly into practice. This new fourth edition has been completely reworked to reflect the health care system s evolving needs, providing a big-picture health system perspective on information systems throughout the continuum of care. Coverage of new and emerging technologies and population health management offers engaging discussion of current shifts in the health care industry, and case studies have been updated and expanded to provide additional illustration of important concepts. Recent years have brought significant changes to the health care industry, and information management is becoming an increasingly critical part of managing health and healthcare; this book provides essential guidance toward all aspects of the field. * Learn how information systems are used across the health care continuum * Discover the role of IT in managing health, patient engagement, and care management...

Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

-- **Madyson Rutherford**

I actually began reading this article book. It is actually filled with wisdom and knowledge I realized this pdf from my i and dad recommended this publication to learn.
