## Botanical Pesticides for Pest Management

By D.A. Dadia, G.M. Patel, I.S. Patel

Scientific Publishers, 2010. Hardcover. Book Condition: New. This book has been mainly written for the research workers and students of various Universities, who are interested to use eco-friendly indigenous plant materials in pest management programme. The book provides a brief amount on different plants having pesticidal properties viz., plant taxonomy, geographical distribution, chemical constitutions and their structural formula, their mode of action, procedure for preparation and their safety to non target organisms. It is hoped that this book will be very useful to graduate/post graduate students of Agriculture as well as Basic science, researchers and extension workers. This book will be useful to environmentalists who are interested to minimize the use of synthetic chemicals in pest management programme and also for the pesticide formulation industries to develop newer molecules based on phytochemicals. Every attempt has been made to provide necessary information for students and researchers, which is hardly available in other books. Contents: 1 Botanical Pesticides - 1.1 Introduction; 1.2 Brief historical review; 1.3 Mode of action of botanical insecticides; 1.4 Mode of action of botanical pesticides against non-insect pests 2 Botanical Pesticides and their role in Sustainable Crop Protection - 2. 1 Advantages of Botanical Pesticides; 2.2...

### Reviews

*Extensive information! Its this sort of great read through. It is amongst the most incredible book i have go through. I realized this publication from my i and dad suggested this book to understand.*

-- Prof. Devon Bernhard PhD

*This is actually the finest pdf i have got study right up until now. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Reese Morissette II
