Random House USA Inc, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. A compelling and deeply felt exploration and defense of liberalism: what it actually is, why it is relevant today, and how it can help our society chart a forward course. But Wolfe also makes it clear that before liberalism can be successfully applied to today's problems, it needs to be recovered, understood, and embraced--not just by Americans but by all modern people--as the most beneficial way to live in our complex modern world. The Future of Liberalism is a crucial, enlightening,...
