An open Window begins with Jill Flowers, a local girl with aspirations of becoming more. It follows her from Mobile Alabama to New York City and beyond. New loves, friends and family follow Jill on this exciting page turner. This is the first in the Flowers Family Series. Book excerpt: As Jill sat alone by the window of her fifth floor apartment in New York, she remembered the last time she looked out of the large picture window of the cabin in New Hampshire. The scenery was quite a bit different now. The cluttered skyline made her ache for the warmth of the cottage and the even warmer embrace of her lover. She tried hard not to blame herself for the break-up, but deep down she knew it was all her fault. He had been the love of her life, and now he was gone. All she could think of was how stupid she had been, and how she couldn't hope to get him back. Suddenly, there was a knock at her door. He wanted an answer. Could she give him one? She opened the door. . . An open window is available on Amazon Kindle, free at the Kindle lending library and now in paperback worldwide. This item ships from La Vergne, TN. Paperback.
