Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you thought that the Big Bang was the real story of our creation, think again. Take a journey into the very fabric of existence through the world of quantum mechanics and see the Universe through new eyes. Nothing is Impossible is a journey into the very nature of the way we look at and interpret our Universe. How we look at each piece of information is always affected by the very culture we observe it with, which sometimes it may need a slight adjustment in order to see it truly aligned.
