Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Trauma nurse Leila Matthews is about to meet the one man who can tear through her emotional defenses, but the billionaire playboy will have a harder time winning her heart than her body. Sexy, emotional and intense, Pushed, book one in the Torn series, begins the saga of Brody, Leila, and Jaxon. BOOK ONE IN THE TORN SERIES UNTO OBLIVION Nurse Leila Matthews has seen it all, or so she thought until this morning. Into the chaos of her trauma ward walked a man more intense than anything she has ever known. His smile tore away all her defenses, and his kiss ignited flames damped for far too long and a knowledge that such dangerous ripples are only the beginning. Brody Davis is anything but safe. Wealthy, handsome, and unrepentantly single, the billionaire's first priority is himself and the pleasure of every woman he's sure to leave. Yet his best friend's baby sister is temptation itself. If any female could make him stay, it would be Leila, whose sweet lips and sweeter flesh push him to be better than he believes he can. He desires a quick conquest. The battle for Leila's heart is yet to be fought. And he is not the only combatant. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
