

Cubes and Spheres in Human Life (Classic Reprint) (Paperback)

By Frederick Alonzo Wiggin

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cubes and Spheres in Human Life The grace and beauty of an Apollo lurks long in the rough-hewn boulder from the quarry before its majestic outlines are gradually uncovered and revealed under the skilful hand of the artist. The diamond from the mine, jagged, misshapen, almost Opaque, suggests nothing of the brilliance and fire to be released under the polishing wheel. Similarly, human beings are like unto cubes until the attrition of Life's experiences by which Law is comprehended, rounds off the angular corners, until the sharp edges are wrought upon by the design of the Infinite Artist, when the cube becomes a sphere the fittest emblem of Deity - whose image and likeness man is intended to reflect.
