By Mike Patrick

Ebookit.com, United States, 2012. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. In 1971, I was a junior in high school with a plan for my life. I knew where I was going. I was a good student with sports on the brain all the time, writes Mike Patrick. However, in Mike s first varsity football game, he realized something had gone drastically wrong after trying to make a tackle, right inside the goal line. His life was changed in an instant. In I Still Believe in Tomorrow, Mike writes about the experience, its affect on the entire town, and scores of medical experiences and triumphs since breaking his neck. Mike s conversational book includes a comprehensive time line and striking photos. He reminds us how our words and actions may affect everyone we encounter today, tomorrow and even years later. He effectively demonstrates this through stories and an experiential exercise for the readers. Reading Mike s experiences will help each of us navigate our own journeys, regardless of what happens along the way.

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
