

Where Is Daddy?

By Sr Ronald E Hardy

Xulon Press. Paperback. Condition: New. Dimensions: 8.5in. x 5.5in. x 0.1in. One of the greatest problems facing the nation today is the breakdown of the family. This is largely due to the number of absentee fathers. There is an urgent cry for fathers to assume their role as leader of the family. Never before has there been a time in history when there were as many children who are fatherless and their fathers are alive, but absent from the home. As a result, our fatherless youths are carrying deep emotional scars; our cities are infested with crime, violence, drugs and despair. In the pages of this book is a powerful work of healing for fathers who are willing to meet the challenge and turn their hearts back to their children who will turn their hearts toward their fathers. Fathers are called to arise and come forth into the light and bring healing and restoration to their children who are suffering from loss of their presence. The time has come for daddies to return to their rightful place as priest in their home. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
