Which country is likely to be the world's leading economy in 10 years time? And how does economics affect each one of us, every day? In the seventh volume of the successful 50 Ideas series, Daily Telegraph economics editor Edmund Conway introduces and explains the central ideas of economics in a series of 50 clear and concise essays. Packed with real-life examples and quotations from key thinkers, 50 Economics Ideas provides a fascinating overview of how economics influences every aspect of our lives, from buying a house to what we had for breakfast this morning.
