## Reproductive Politics: What Everyone Needs to Know (Paperback)

By Rickie Solinger

Oxford University Press Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Reproductive politics is a term coined by feminists in the 1970s to describe contemporary, Roe v. Wade-era power struggles over contraception and abortion, adoption and surrogacy, and other satellite issues. Forty years later, questions of reproductive rights are just as complex-and controversial-as they were then. Focusing mainly on the United States, Reproductive Politics explores the legal, political, religious, social, ethical, and medical dimensions of this hotly contested arena. Tracing the historical roots of reproductive politics up through the present, Rickie Solinger adopts a question-and-answer format to shed light on such questions as: are sex and reproduction private or public matters? When was abortion criminalized in the United States-and why? What is abstinence only sex education? And how is reproductive politics a men s issue as well as a women s issue? Covering a substantial range of information in an accessible and lively manner, Solinger orients readers and provides the knowledge necessary to enter into dialogue with this important and continually evolving field.

### Reviews

*It in one of the most popular book. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- *Camylle Larson*

*This pdf may be really worth a study, and much better than other. I could possibly comprehended every thing out of this composed e ebook. You will not sense monotony at anytime of your time (that's what catalogues are for regarding when you check with me).*
