Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Voting In Sanity unequivocally proves that the entire free world s preference-based voting methods are all totally dysfunctional in that they cannot find THE WILL OF THE PEOPLE-not even in a simple little selection between just two choices! (see page #1 of Voting In Sanity). This dysfunctionality includes all the free world s parliamentary procedures for majority rule (the preference of just the majority), including those two-choice Yes/No legislative procedures as well as our own Supreme Court s Agree/Disagree rulings to find the so-called majority opinion -all of which inane select the polarizing preference of just the majority of the members of the voting body instead of selecting its overall MOST-HIGHLY-RATED consensus for THE COLLECTIVE WILL of the voting body.
