Thus, we have to pay extraordinary attention to intercultural teams with the help of team building. Do we The following article will examine the definition of teams what they are and what they are not, how they could differ and which differences need to be taken into account on multi-cultural team building processes. This paper is an approach to explore its fundamentals, practices and its reliability. In chapter one the fundamentals of teams, team dynamics and multicultural teams will be discussed in detail. The second chapter highlights the cross-cultural team stages, the team building process and its interventions to understand how to move from a multicultural to a cross-cultural team. Therefore, it will examine an overview of cross-cultural team building measures in its vast scope of team building providers in chapter two. Moreover, chapter three should discuss research and results on the effectiveness of team building measures and possibly necessary methods to maintain the effects of team building events. It will be discussed what has to be taken into account to create team building programs as well as advantages and disadvantages and results on the effectiveness of team building programs. As the terms cross-cultural, intercultural and multicultural are relevant to the understanding and not randomly utilised, this distinction has to be defined more precisely:...
