Kensington Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. It s not the end of the world--until it is. Sophie Lawson may be a mere human with no special abilities except a strong immunity to magic. But the havoc she s wreaked on the supernaturals who come up against the Underworld Detection Agency have earned her plenty of enemies. Still, a girl can t freak out every time a horribly barbecued corpse is found with her business card in its hand. Or see a sudden glut of earthquakes, wildfires and three-headed dogs as just another day in California. But Alex Grace, her favorite fallen angel, is concerned--or saying he is to see more of her. Getting Sophie to see all the signs of the Apocalypse is an interesting way to heat things up. Or maybe what s making everyone hot under the collar is the fact that all Hell is about to break loose. . . Praise for Hannah Jayne s Underworld Detection Agency Chronicles Jayne continues to delight with the third Underworld Detection Agency novel. --Publishers Weekly (starred review) on Under Suspicion Hannah Jayne has created an imaginative world that I look forward to visiting again and again. --Alexandra Ivy, New York Times bestselling author on Under Wraps.
