

Mississippi Beneath the Surface: 1800 - 1910 (Paperback)

By Dr Leroy Kwame Frazier

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book describes the experiences of slaves in Mississippi between 1800 and 1865 and their lives as freedmen between 1865 and 1910. It was designed to fill in the gaps of the struggling and overcoming cycles for African-Americans between 1800 and 1910. It uncovers truths about their lives as slaves and freedmen in Mississippi. It provides information about their personal, work and spiritual lives as slaves. It shows why and how they were the central issue in the Civil War. It provides information about how they were personally impacted by the war scimmages on a daily basis. It provides information about their lives in the refugee camps during the Civil War. This book is a missionary journey that explores the experiences of ordinary Black People and White people that were born in Mississippi or lived in Mississippi prior to 1910. It provide a greater understanding of the significant roles that the family, home, church, community, school, town, city, county, state, and region played in shaping the lives of Black slaves and their descendants as well as White slave masters...
