Headline Publishing Group, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. A fascinating, beautifully illustrated collection of stories from the hit podcast Lore - now an online streaming series They live in shadows - deep in the forest, late in the night, in the dark recesses of our mind. They re spoken of in stories and superstitions, relics of an unenlightened age, old wives tales, passed down through generations. And yet, no matter how wary and jaded we have become, as individuals or as a society, a part of us remains vulnerable to them. Werewolves and wendigos, poltergeists and vampires, angry elves and vengeful spirits. In this beautifully illustrated volume, the host of the hit podcast Lore serves as a guide on a fascinating journey through the history of these terrifying creatures, and explores not only the legends but what they tell us about ourselves. Aaron Mahnke invites us to the desolate Pine Barrens of New Jersey, where the notorious winged, red-eyed Jersey Devil dwells. Mahnke delves into harrowing accounts of cannibalism-some officially documented, others the stuff of speculation . . . perhaps. He visits the dimly lit rooms where seances take place, the European villages where gremlins make mischief, and Key West, Florida, home of a haunted doll named Robert. The monsters of folklore have become not only a part of our language but a part of our collective psyche. Whether these beasts and bogeymen are real or just a reflection of our primal fears, we know, on some level, that not every mystery has been explained, and that the unknown still holds the power to strike fear deep in our hearts and souls. As Aaron Mahnke reminds us, sometimes the truth is even scarier than the lore. Praise for the Lore podcast Truth can often be much...
