

Onco: A Bio-Horror Tale: A New Dimension (Paperback)

By Anthony Janicska-Boross

Dorrance Publishing Co., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The world is at the cusp of Armageddon almost realised. The year 2030 brings with it starving populations well in excess of fifteen billion. Half of whom are living day to day or dying day by day. By 2035, it is estimated that only 25 percent of the world population will have enough food, water, and medical care. Onco portrays the very real and imminent spectre of humanity running out of essential resources, eventually precipitating global starvation and its consequences. About the Author Anthony Janicska-Boross was born in 1934 in Hungary in almost third world conditions. He lived there through World War II. He eventually left Europe as a Displaced Person, bound for Australia. As a migrant, he was under a two-year contract to the Australian Government and worked on the railways. Initially, he lived in a tent in a railway camp. As soon as he mastered the language, he requested the government to allow him to search for a more suitable position in private industry. Janicska-Boross found a job as Cadet Executive in a civil construction company and commenced...
