

A History of Pennsylvania (Classic Reprint)

Filesize: 5 MB

Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

(David Weber)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A History of Pennsylvania When historical societies for study and research in Pennsylvania history - local and general - are multiplying all over the State, no apology is needed for writing a book on the subject. Pennsylvania has a history of more than two centuries. It consists, like that of the other States which separated from Great Britain to form the American Union, of a Colonial, a Revolutionary, and a Constitutional period. It has always been a part of another history: first of England, and then of the United States. This is true, not alone in a nominal, but in a real sense. United States history, whether its political, social, or industrial side, is of a composite nature. Every State helps to make it. The contribution of the thirteen original States is the greatest, because they have a Colonial and a Revolutionary history. In Pennsylvania these periods are especially interesting and important, though they have been sadly neglected. But independent of the relation to United States history, State history has a claim on us for study and investigation. Pennsylvania ranks second among the States in wealth and population, and has the proud distinction of being the Keystone of the Union. If we would maintain this preeminence we must not be indifferent to our history, else neither we nor our descendants will attain to greater heights. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
