THE KINGDOM OF INFINITE SPACE: A PORTRAIT OF YOUR HEAD

Condition: New. This is a journey around the part of our anatomy to which we feel most attached: our heads. Combining biological science and philosophical interrogation, Tallis takes the head apart, piece by piece, in search of the place where our souls and consciousness reside. From the act of blushing and the amount of manganese in our tears (tears of pain contain more than tears of distress) to the curiousness of a kiss, he explores the astonishing range of activities...

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
