Marcos Borges, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. While the Bible teaches that God is all-powerful and holy, it also teaches that he loves his children and desires to have a vital, dynamic relationship with them. In this step-by-step guide to inviting God to speak in your life and learning to listen to what he says, author Marcos Borges uses key scriptures from the Bible to share the truth about God s willingness to speak to us where we are-in language we understand. Many people believe that hearing from God requires complicated religious rituals or super-spiritual gymnastics. But as Borges demonstrates, love is the language God uses to communicate with us, and the evidence of his message is all around. Each time that we receive love, we hear from God. And each time He uses us to love other people, we share his message with others. Full of sound teachings and practical tips for hearing the voice of God more and more clearly each day, Listening to God s Voice offers you the opportunity to grow in grace, obedience, and love as you hear God speak in your life.
