Did you know that he partied his ass off with John Lennon? Did you know that he came back from the dead? It s all true. Please join unDead Harry Nilsson as he plucks maggots from his moldering body and thrills you with four bile-filled tales of sick humor all loosely inspired by the classic Tales from The Crypt comic series. First fright, Josie accidentally makes bargain with a Yiddish texting psycho with unintended circumstances. Then drool as man-child Kenneth gets reborn in the foulest manner possible. If you haven t suffered a stroke, then you ll enjoy a story of creepy young man with an awful secret. Finally, a tale of Vampires and Ghosts that will make you squirt with joy.
