AMERICANIZATION IN THE STATES: IMMIGRANT SOCIAL WELFARE POLICY, CITIZENSHIP, AND NATIONAL IDENTITY IN THE UNITED STATES, 1908?1929 (PAPERBACK)

University Press of Florida, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. Makes a formidable contribution to U.S. immigration history by addressing historical and contemporary debates about national identity and the place of immigrants within American society. --Brian Gratton, Arizona State University Deepens and clarifies our understanding of this understudied but very important social movement by comparing and contrasting those Americanization efforts aimed at protecting immigrants with those more coercive educational programs which we have previously thought to encompass the entire movement. --John F. McClymer, Assumption College In the first decades of the twentieth century, a number of states had bureaus whose responsibility was to help immigrants assimilate into American society. Often described negatively as efforts to force foreigners into appropriate molds, Christina Ziegler-McPherson demonstrates that these programs--including adult education, environmental improvement, labor market regulations, and conflict resolutions--were typically implemented by groups sympathetic to immigrants and their cultures. Americanization in the States offers a comparative history of social welfare policies developed in four distinct regions with diverse immigrant populations: New York, California, Massachusetts, and Illinois. By focusing on state actions versus national agencies and organizations, and by examining rural and western approaches in addition to urban and eastern ones, Ziegler-McPherson broadens the historical literature associated with Americanization. She also reveals how these programs, and the theories of citizenship and national identity used to justify their underlying policies, were really attempts by middle-class progressives to get new citizens to adopt Anglo-American, middle-class values and lifestyles. Christina A. Ziegler-McPherson is a public historian who lives in New Jersey.
