

## The Progressed Horoscope Simplified (Paperback)

By Leigh Hope Milburn

American Federation of Astrologers Inc, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Originally published in 1928, this book gives detailed instructions on how to interpret the progressed chart using the Moon, Ascendant, and planets, as well as the transits. Leigh Milburn put to use her wealth of experience, both in classroom work through the Llewellyn College and her private practice, to convey the practical information for delineating progressed horoscopes, and how to use them in actual practice. In addition, she includes interpretations for all the major factors in the progressed chart with chapters on the nature of the planets, planets through the signs, progressed Ascendant, progressed Moon in the houses, parallels, and progressed and transiting aspects of the Sun, Moon and planets. This classic book is a must for those interested in predictive astrology.
