Filesize: 3.59 MB

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.
(Austin O'Connell)

BOSCO DEL CUORE RINASCENTE: BOSQUE DEL CORAZON RENACIENTE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Italian . Brand New Book ***** Print on Demand *****.Escrito y presentado en edicion bilingue, italiano y espanol, este poemario -tercera entrega de Los trabajos de armonia - continua la aventura conjunta de descubrimiento iniciada por Legendario entanglemente y Se desata el milagro/ Si scatena il miracolo, entre poesia y fisica teorica, tras el encuentro de su autora con Giovanni Vignale, autor de The Beautiful Invisible. Un verso del Portico abre la intuicion de la sensibilidad universal que hace del humano un ens amandi : Por fin sembrados/ en el lento cristal del universo, que es como decir del amor cosmico que vive del amor humano . . . que intuye, en el bosque del alma que renace al impulso de la creacion, esa conciencia que percibe, con claridad en medio del misterio, la accion de Dios en el acto de la creacion poetica. Como ha escrito tambien el poeta y critico Felix Cruz-Alvarez, la primera parte, que da titulo al libro, apunta a la intuicion de una raiz de las causas ultimas de la existencia, la comprension de la belleza, incluso en medio del dolor, como la mas radical y autentica valoracion del mundo. En Queridas estaciones nuestras, que aparece en la segunda parte del poemario -Cuaderno de Roma- los versos finales resumen su nostalgia, su prisa y su querencia ante las estaciones que hospedan los trenes del mundo: como todo lo que en el corazon/ goza ciudadania indespojable. Libro de honda gracia en cuya cuarta parte -titulada Nuestras manos al tiempo- nos salen al encuentro nueve Adivinanzas de verano, a revelar otras tantas claves de interpretacion de la vida y la obra de su autora, de su poetica esencial.
