Copper Canyon Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Honored as a Best Poetry Book of the Year by Publishers Weekly The book s a little crazy, packed with air quotes and brackets, jokes and condemnations, forms that explode across the page. Crazily enough, it s also packed with truth. --NPR The voice of this third book from Bibbins is marked and numbed by the onslaught of American media and politics that saturate the Internet, television, radio, and smartphone: the way things are going, children/ will have to upgrade to more amusing. Much like advertisements or news stories vying for viewer s attention, the book intentionally overwhelms, eschewing sections; the author instead differentiates the poems by repetition, creating a sort of echo chamber, similar to the way viral information cycles through social media platforms. --Publishers Weekly, starred review [A] hilarious send-up of contemporary values and an alarm bell of sorts, directing attention to all that is so sinister in our civilization. --American Poets Whip-smart and wickedly funny, *They Don t Kill You* is Bibbins s most authoritative and self-possessed collection to date. --Boston Review The poems in Mark Bibbins s breakthrough third book are formally innovative and socially alert. Roving across the weird human landscape of modern politics, media-exacerbated absurdity, and questionable social conventions, this collection counters dread with wit, chaos with clarity, and reminds us that suffering is small//compared to what? Mark Bibbins teaches in the graduate writing programs at The New School and Columbia University, and edits the poetry section of *The Awl*. He lives in New York City.
