USNA Publishing Inc, United States, 2016. Paperback. Book Condition: New. 260 x 171 mm. Language: N/A. Brand New Book. This action filled graphic novel takes place sometime in the future when our two great countries, Canada and the United States, have amalgamated and there is a growing discontent. Young adults are being conscripted to fight in the Cent-Am wars. Family farms are disappearing, replaced by prison farms. Food shortages are a result of climate change. There is now a groundswell of rebellion. The rebels want to return to a time when the policies of the government represented the best interests of the people, not the best interests of those who govern. Within the government of USNA, the Strategic Home Alliance Defense Organization (SHADO) was created to combat this threat and they operate on the fringes of the law. Their mission is simple: locate and eliminate any rebel activity using deadly force if necessary. This is the story of the people's continuing fight against tyranny as the rebellion spreads to New Mexico and Texas.
