Page turning photo essay present series of more than 160 art works, and is composed of them about traditional life and work from that of car and trade. They compare Wise Man to live at name and home; versus experience ardor or distress, and evolve advanced traits of sentience. Dolphin Man is named an evolved creature, and occur of automatic spirit like resource. He acts, reacts and organizes environment of emotional tones of memory. You find series of Neanderthal art to live in cave, and evolve onto civil support forces. The essay is based at intent to defy use of words, and to be designed of gain to cognitive reflection. A comparison are to discover firemen to take water to end use of flint; so to put out fire to cook ones supper. The essay will defy use of words, and to be based of individual reflection of resource. A predominate theme is vain dynamics only. The theory of new species is based of viability or dominance, and quotes Darwin about emergence of species from studies of finches. I present Dolphin Man...
