Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The story contained in this volume is a record of youthful struggles, not only in the world without, but in the world within; and the success of the little hero is not merely a gathering up of wealth and honors, but a triumph over the temptations that beset the pilgrim on the plain of life. The attainment of worldly prosperity is not the truest victory; and the author has endeavored to make the interest of his story depend more on the hero's devotion to principles than on his success in business.
