By Paul a Stretton-Stephens

Pen of Paul Media, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is the first title (Part 1) of the action-packed Tacrem Adventure Series. Fifteen-year-old Tacrem becomes acutely aware that all the hours of play fighting, language lessons, physical training, and strategy games during his undersea upbringing were designed to prepare him to carry out dangerous missions for the sake of Cetardia, also known as the Downside. His exceptional abilities: he can run, swim, and jump faster and higher than any Upsider (the Cetardian name for people living on the land) are required to confront threats from two fronts. Firstly, some Upsiders are intent on discovering and exploiting Cetardia for their gain, and secondly, the ocean s rising tides threaten to distance Cetardia farther from the mainland. To survive Tacrem undertakes a rare and daring mission to make contact with a discredited Upside climatologist, Professor Jack Berry to gain and deliver vital information. During the process, Tacrem befriends Jack and his daughter Jess who becomes the focus of an enemy of Cetardia, The Fligers. The question is: Will Tacrem be able to obtain and deliver the information needed to save...
