Createspace, 2013. Paperback. Condition: New. Language: English . Brand New Book. Savor the moment, cause it just might be your last. Newly married, Billie and Handel find themselves knee-deep in another mystery. Defending a wealthy San Francisco businessman against capital murder charges, Handel soon discovers that media attention brings more than fame and fortune. When Billie's life is threatened, he believes it's connected to the case, and he'll do whatever it takes to keep her safe. Across the vineyard, Margaret has problems of her own. Davy's Italian grandfather is in town and starts right in where his son left off. Throwing the weight of his money around, he intends to prove that Davy would be better off living with him in Italy. To complicate things further, Billie and Adam's mom flies in from Minnesota and starts dating the man who is making Margaret's life miserable. Romance is in the air at the Fredrickson Winery this summer. Sip a glass of Sangria and fall in love with the characters all over again. **SAVOR**, the 3rd Fredrickson Winery Novel, continues the saga of the Fredricksons and Parkers as they run a small California winery and find love and mystery in the Napa Valley. Savor celebrates the joy of romance, laughter, and family. Cheers!
