In the short life I have lived, I have found many looking for love and yet dont know what it is. The book brings you through all the emotions of love; how much it hurts, and how much happiness it can bring. I share with you stories of situations that can answer the questions you have been looking for unlocking the secrets of love. Foolish I know to think why do I need these secrets? The simple answer is when you find out the secrets of love you find the secrets to your own heart. To ask the simple questions of when will I find my true love? Why do I still love them after what they did? Questions that seem so small and easy are very hard to answer given the person it is applied to. The book has many situations of love one could be a mirror of yours. We all know love has many secrets I give you one in the beginning of the book, as for the rest I leave for you to unlock in the pages of my poetry.
