Reviews

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Miss Sienna Fay Jr.)

TEN SHORT MYSTERIES

iUniverse.com. Hardcover. Book Condition: New. Hardcover. 152 pages. Dimensions: 8.9in. x 5.6in. x 0.7in. When Earl, Joe, and Michelle receive the call from their boss, Mr. Millo, the three employees—who are tasked to complete government research—are never sure where the assignments will take them. From the forests of North America to remote atolls in the ocean to the mountains of South America, the three tackle projects around the globe. With each mission, they face a range of challenging factors—weather, outside unknown forces, and possible kidnapping. They often have reliable backup, but generally the trio must rely on their own knowledge, skills, and resources to get them out of some sticky, off-beat situations. Earl, Joe, and Michelle find their jobs very rewarding and are proud when the missions are completed effectively. From assignment to assignment, they never know if their adversary will be the forces of nature or the forces of man. This collection of mysteries shares ten tales of intrigue and adventure, as three dedicated researchers make their way around the world, solving problems along the way. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
