

## Priorities.

By Elizabeth Stuart-Grimes

First Edition Design eBook Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life lessons used to be transmitted from one generation to another through stories. While the internet-age has connected people, we are only concentrating on the here and now. Hindsight is needed to help us move forward. PRIORITIES. is about understanding what is essential for each of us, as individuals. Like reading someone's journal or having tea with an auntie, PRIORITIES. is filled with stories about the good ol days and how people coped with difficult situations. PRIORITIES. was not written to give people answers. It was written to make people think: about the choices they - as individuals, or couples, or families - need to make to evolve and move forward. PRIORITIES. is a narrative written by Elizabeth Stuart-Grimes about how to get back to basics while still progressing forward. A bit like reading someone's personal journal, PRIORITIES. developed into a book designed to help people come to grips with life in the modern, twenty-first century. PRIORITIES. is about understanding the difference between our wants and our needs; between empathy and...
