Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Over the chancel-arch of the church at South Leigh, a few miles west of Oxford, is a fresco of the Last Judgment and the Resurrection, of the type well known in mediaeval art. On the adjoining south wall stands the stately figure of the archangel Michael. In his right hand he holds a pair of scales. In one scale is the figure of a soul in the attitude of prayer; beside it is Our Lady carrying a rosary. The other contains an ox-headed demon blowing a horn. This scale rises steadily, though another demon has climbed to the beam above to weigh it down, and a third from hell's mouth below endeavours to drag it towards the abyss. The same theme recurs in several other English churches; and it is carved over the portals of many French cathedrals, as at Notre Dame in Paris.
