Review I m a little teary actually as it is so nice to read something so natural, positive, awakening, so self believing. (Amazon Customer) By writing about 101 different ways to add Peace to your life, with personal anecdotes from her own journey, Cherry makes it abundantly clear just how easy it can be to make the changes needed to begin your own journey towards Peace. (Amazon Customer) I have only had this book a couple of days and it has made me cry. It has made me cry with joy and understanding, I am going through a very difficult time at the moment and the sense and clarity in this book is of enormous help. (Amazon Customer) Book Description If you ask people what they d most like to be, disregarding those who immediately shout out rich and/or famous , the answer will be happy . And that s a great ambition, don t get me wrong - but it s not enough. Happiness is not enough to sustain us for very long. It is a transitory emotion and there s still that light bulb moment when we realize we re not as happy as we once were. Sometimes we end up making huge life changes in order to get those feelings of happiness back. And these things may work or they may not. I m not here to destroy your concept of happiness as I think it s vitally important. What I feel I must share with you is something that s an even greater gift than happiness. It is longer lasting, its foundations are stronger, it can weather any storm and it ll give you a sense of confidence...
