

The Troilus and Cressida: The Oxford Shakespeare

By William Shakespeare, Kenneth Muir

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Troilus and Cressida: The Oxford Shakespeare, William Shakespeare, Kenneth Muir, Troilus and Cressida is perhaps Shakespeare's most philosophical play, and its preoccupation with war, sex, and time has seemed peculiarly relevant since the First World War. Fine productions have demonstrated the play's theatrical power, and critics have explored and illuminated its ideas and its exceptionally complex language. Kenneth Muir, in his introduction, sets the play in its historical context, discusses its odd career in the theatre, examines Shakespeare's handling of his multiple sources, and assesses the contribution of interpretative criticism to a deeper understanding of this sombre examination of a fallen world. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
