Ben Peters believes that God is shifting the way we look at church, shifting our paradigms by using both the top-down and the bottom-up methods: Church leaders will get excited about God's vision for the church and will teach it to their people. The people will be getting the same revelation on the grass-roots level and will be encouraging their leaders to lead them in a new direction. What is that new direction? How will church life change? How will our personal lives change? What are the rewards for pursuing a new direction? Come with Ben and explore what the heart of God cries out for, and what the plans of God are for His church and what He can do when we allow Him to put us in Kingdom-building mode.
