Brand New Book ***** Print on Demand *****.In an alternate universe, Earth is invaded by a race of aliens from a planet called Nykarus. The end result was a war that lasted for five years between earth and Nykarus. A distress signal sent out two years after the war started was intercepted by an old enemy of the Ny Karin race. The Kygourins fought side by side with humans to defeat the invaders; sending them back to the Pledius star system. But many humans were stored in cryo-chambers on board the mother ships. When the Ny Karins arrived on their home world, they distributed the Humans to habitable planets in nearby solar systems. Their fate sealed to serve other alien species as slaves. Unlike many humans that were scattered throughout that system, Chandra who was once an Enforcer, (a cyborg soldier) was not meant to be a part of the culling. Through a strange twist of fate, she was taken to one of Eurleau s moons, Dyna and auctioned off to a Madam of an elite brothel. Adara takes her to the city Mu and Chandra undergoes a transformation, enabling her to serve her as a prostitute. Years later Soran, Emperor of Nykarus, has found Chandra and pays Adara Sunn a visit. He demands that Adara hands her over to him. She reluctantly agrees, but a clandestine meeting with a bounty hunter named Xenos, has swayed her decision. She sells Chandra to him. Xenos and Chandra leave Southern Atlan. Chandra s Life at the brothel ends but her quest begins. The implant in her head is just the beginning. Her journey will take her to lands she has never seen before and dangers she must face...
