By John Everson

47 North, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In a small town with a strange history of teen suicides, a group of five women have made a pact with a demon and must sacrifice their firstborn. To the residents of the sleepy coastal town of Terrel, the cliffs of Terrel s Peak are a deadly place, an evil place where terrible things happen. Like a series of mysterious teen suicides over the years, all on the same date. Or other deaths, usually reported as accidents. Could it be a coincidence? Or is there more to it? Reporter Joe Kieran is determined to find the truth. Kieran s search will lead him deep into the town s hidden past, a past filled with secrets and horror, and to the ruins of the old lighthouse atop the tragic cliffs. He will uncover rumors and whispered legends--including the legend of the evil entity that lives and waits in the caves below Terrel s Peak.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
