

Strange Future: A 23rd Century Guide for the 21st Century Cynic (Paperback)

Filesize: 8.21 MB

Reviews

This ebook will not be simple to start on reading but very fun to learn. It generally is not going to expense too much. I am very happy to explain how this is the finest book i have read in my very own existence and can be he finest pdf for at any time.

STRANGE FUTURE: A 23RD CENTURY GUIDE FOR THE 21ST CENTURY CYNIC (PAPERBACK)

Createspace, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thomas Gordon s life in the city was going just fine. He had a decent job, a nice condo, and was generally content with life. One day, however, his boss was in a particularly foul mood, and a chain of inexplicable mishaps resulted in Thomas getting fired. Fed up with the world, he begins to search for an escape to a better life. While sitting at the Realtor s office, he stumbles upon a flyer on a bulletin board that asks a simple question: Fed Up? After calling the number on the pull tab, he meets a group of scientists with an interesting proposition: human cryogenic preservation. Thomas and his companions Vera and Doug emerge into the strange future of the twenty-third century: a world full of amazing technological advances and equally amazing people. Upon digging a little further below the surface, though, they quickly discover that this future isn t exactly the better world that everyone thought it would be.
