BookBaby. Paperback. Condition: New. 202 pages. A companion story to the original True Haunting. True Haunting 2 is from the voices and experiences of Marsha, the stay-at-home wife, and Dan, one of the longer-term tenants from the first floor apartment and includes material left out of the first book. A factual account written by a best-selling author, featuring the birth of televised paranormal! This is the story of a true haunting. It was the first ever televised paranormal event by NBC in 1971. A young couple purchases a building that was built and occupied by a single family that refused to relinquish their hold, even after death. Investigated and verified by experts, this residence brought chaos to the lives of those who chose to reside there. Unlike a horror novel, this chronicles what a real ghostly experience truly is. Long before the laws of disclosure, a young couple winds up in the midst of strange occurrences, and survives. True Haunting was a 40 year project, starting from the time we moved out. The book broke all sorts of records and even launched itself into television. The paranormal was not something people discussed back in the 70s, and it certainly didnt have the acceptance and toleration people have for it today. But, about twenty-five years later, society was a slightly more accepting. Now, the writing will not stop. Thousands of emails have poured in asking about Marshas story; and, were happy to say that after publishing True Haunting, the Dave in the book--actual name: Dan White--contacted me 40 years later and we have since rekindled a lost relationship that was once hindered by business and the darkness that was encompassed within the house. Thus, True Haunting 2 was born! This item ships from multiple locations. Your book may arrive from Roseburg,OR,...
